

# OUR COMMITMENT TO FOOD SAFETY

for \_\_\_\_\_

dated \_\_\_\_\_

signed \_\_\_\_\_

Our farm has a commitment to ensuring all employees are focused on producing and supplying safe and quality produce.

We commit to:

- Supplying safe food
- Establishing and maintaining a safe food culture among management and employees
- Establishing, monitoring and improving our food safety management system
- Complying with customer and regulatory requirements to supply safe food, including the GFSI standard under which we are certified

We will achieve this through:

- identifying and assessing the risk of food safety hazards that may occur during land preparation, growing, harvesting and packing of fresh produce
- preventing or minimising the risk of food safety hazards
- acting promptly when alerted to non-conformances that may require withdrawal or recall of the product
- focusing on the continuous improvement in our processes, systems and business.

# REVIEW

Our farm will achieve the commitment to making improvements to our food safety and quality policy by monitoring the following objectives. We will undertake a 12 month review and evaluation of this commitment.
